

Personnel -- Certified/Non-Certified

Nondiscrimination

The conditions or privileges of employment in the school district, including the wages, hours, terms and benefits, shall be applied without regard to race, color, religion, age, marital status, national origin, sex, sexual orientation, gender identity or expression, ancestry, disability or genetic information, except in the case of a bona fide occupational qualification. The Board of Education seeks to extend the advantages of public education with full equality of educational opportunity to all students and personnel. The Board, any employee or any other person may not aid or compel the performance of an unfair labor practice as defined by law. For purposes of this policy, “genetic information” means the information about genes, gene products, or inherited characteristics that may derive from an individual or family members.

Harassment

No member of the Board, agent of the Board, or agent of any employee organization may harass any employee or person seeking employment or any member on the basis of sex. “Sexual harassment” as defined by law includes any unwelcome sexual advances or requests for sexual favors or any conduct of a sexual nature affecting a person's employment, continuity of employment or work performance or creating an offensive working environment.

Discipline

No employee will be disciplined, reprimanded, reduced in rank or compensation or deprived of any professional advantage without just cause.

Association Membership

No employee shall suffer any professional disadvantage by reason of the employee's membership in an employee association or participation in its lawful activities.

Grievances

No employee, employee association representative, member of any employee organization or any other participant in a grievance procedure shall suffer reprisals in any other way or suffer any professional disadvantage by reason of their opposition to any unfair labor practices or because of participation in the processing of any grievance. The Superintendent will provide procedures for alleged violations of Board policies, administrative regulations, and school district operations in general when not otherwise covered in employee organization agreements.
