

REMUNERATION AND REIMBURSEMENT

Remuneration

Board of Education members shall receive no compensation for their services.

Reimbursement

Board members may seek reimbursement for reasonable, travel-related expenditures associated with the performance of official Board duties or attendance at educational workshops/conferences on the following conditions:

1. The expenditures must be approved in advance by the Board.
2. The expenditures must be reasonable. Expenses that are lavish or extravagant shall not be reimbursed.
3. The request for reimbursement must be supported by receipts or other sufficient documentary proof of the amount of the expenditure.

Travel-related expenditures include transportation costs (passenger fares, mileage), parking fees, tolls, lodging, meals, and registration fees.

Board members shall not be reimbursed for travel-related expenditures associated with attendance at Board meetings, committee meetings, or other meetings located within the school district.
