

SUPPORTING 'MR LARRY'

OUR BUS DRIVER AND FRIEND

As many of you know, Larry is out on family leave going through 6 total chemo treatments that will be ending in August. He has a long road ahead as the cancer has metastasized, but he is in good hands and has a positive attitude.

For those that would like to help:

- Join the facebook group: **Bus 4 Family-supporting Mr. Larry**. It's just a nice way to get updates and if he needs anything, we can post, share and ask for the help he needs.
- Consider keeping in touch. He has received some cards and was very moved. Please think about sending a card, or note or two over summer to lift his spirits.

- Go to any TD Bank and make a donation to the **Larry Schulze Fundraiser**. We are hoping to tie in a GoFund me soon to raise more awareness.
