Dear Parents,

I would like to extend an invitation to come in and experience the activities in Physical Education class, while helping in your child's class. There are several activities between now and the end of the year that it would be helpful to have some extra parent volunteers in the gym. I have listed below the activities along with the dates in which they will be running.

Basketball - January 3 – 20
Jump Rope for Heart – February 6 – 16
Gymnastics - February 22 – March
K-2 Parachute Activities – March 27 – April 7
Field Day - TBD

If you would like to visit and help please make sure you have completed the background check and Email me (tjackson@ctreg14.org) to set up a time to visit and experience PE at BES. Hope to see you in the gym!

Sincerely

Mr. Jackson
