\*Science Fair  
6-7pm, BES Gym

### January 26<sup>th</sup>

\*Winter Concert  
6:30 NHS

## 2017 PTO Meeting Dates

Meetings are held at 9:00 am in  
Room 118. Please join us!

January 5<sup>th</sup> (Thursday)  
February 2<sup>nd</sup> (Thursday)  
March 3<sup>rd</sup> (Friday)  
April 6<sup>th</sup> (Thursday)  
May 4<sup>th</sup> (Thursday)  
June 1<sup>st</sup> (Thursday)

The BES PTO would not be able to do what we do without the help and support of our wonderful parent volunteers! Please consider signing up to be on our volunteer list. This does NOT commit you to anything! It simply presents you with opportunities throughout the year to help with different events if you are able to. The volunteer form can be found on the Region 14 website, under the Bethlehem Elementary School PTO, or send us an email at [bespto@ctreg14.org](mailto:bespto@ctreg14.org).

**Friday, January 13<sup>th</sup> is Spirit Day!**  
Show off your school pride by wearing your BES shirts!

We are happy to welcome **Jason Lefebvre**, the award winning author of *"Too Much Glue"*, to BES on **Friday January 20<sup>th</sup>**. He will spend the day working with students and teaching them about the editing and publishing process while entertaining everyone with his stories.

Woo Hoo, it's **Science Fair** time! Participation is completely optional, although all K-5 students are encouraged to complete and enter a project! All entries will receive a certificate - they will not be judged against each other for places or prizes. Our goal is to develop a love of science! The schedule is as follows:

### **Tuesday, January 24<sup>th</sup>- SET UP**

Parents can drop projects off in the gym after school between 3:00-4:30 pm.

### **Wednesday, January 25<sup>th</sup>- SCIENCE FAIR!**

All students will have a chance to visit the fair during the day with their class. There will also be an evening showing for families from 6:00-7:00 pm.

The sign up sheet, guidelines, project form and all other information should have been sent home with your child. You can download extra copies from the BES PTO website under the "flyers" tab, or pick up extra copies in the school office. Parents, please help your child pick a project that is at his/her grade level. Here are some links to check out for ideas:
