

MES Science/Engineering Fair

The MES Science/Engineering Fair will be on Wednesday, February 8, 2017

Kindergartners - This is the first time that you can do a really cool science project at the school science/engineering fair!

1st, 2nd and 3rd graders - Remember how much fun the Fair was last year? Or maybe you didn't get a chance to do the science fair and really wanted to. Now is your chance!

4th and 5th graders - Many of you have asked if you can work with a partner to do a science project. The answer is YES! Scientists use teamwork all the time! And engineers always use teamwork! This may be the last time you have a chance to be in the Science Fair. Give it a try!!

Dear Parents,

If your child thinks that he/she would like to be in the science/engineering fair, would you please fill out this paper and send it in to school no later than Friday, January 27? This will help us to prepare for the Fair.

Thank you so much!

The PTO and Mrs. Clark

Please print your child's first and last name:

Grade_____

Teacher's Name_____
