

2021-2022 STUDENT DIRECTORY FORM

Every year the PTO puts together a list of all BES students and gives one to each family included as a courtesy. This information is helpful to parents as far as planning play dates and parties, questions on homework assignments, etc. If you were included in the directory last year, there is no need to fill out this form, as your previous information will automatically remain the same. If you have not been included before, or have any information that you need to change, please fill out that information below and **return this form to school by September 17th**. You can decide which information, how much or how little, you would like to have included in the directory. Please fill out only one form per family, list all children attending BES, and please write neatly! We aim to have the directories distributed by the end of September. Thank you for your cooperation 😊
