

Community Relations

School-Community Associations

The Regional School District No. 14 Board of Education recognizes school-community groups such as Parent-Teacher Organizations (PTO) or Parent-Teacher-Student Organizations (PTSO) as integral parts of the school community which can promote better educational programs.

The Board of Education encourages active support of and cooperation with school-community organizations.

Among the many services which such associations can offer, the Board of Education especially endorses support for parent/citizen volunteer programs in our schools.
