

Administration

Evaluation of Administrators and Administration

The Superintendent of Schools

The Board of Education is responsible for evaluating the Superintendent of Schools at least once a year in accordance with guidelines and criteria mutually determined and agreed to by the Board and the Superintendent.

The evaluation of the Superintendent shall be related to the goals and objectives of the school district for the period covered.

Administrators

Evaluations of certified staff below the rank of superintendent shall be conducted in accordance with the school district's teacher evaluation and support program adopted in accordance with state law.
