

Students

Disenrollment

The Board of Education views regular and uninterrupted school attendance as the legal responsibility of each student and his/her parent/guardian(s). Classroom learning experiences are important to the learning process and vital to student success.

The Board encourages and appreciates the need for accurate student enrollment counts/data at the district and individual school levels. Such counts are crucial to the appropriate fulfillment of the Board's responsibilities related to current and long term budget, personnel and facility planning. District enrollment data, as required to the State Department of Education, must also be current and accurate to facilitate the timely, correct and equitable calculations of grant entitlements supportive of district efforts.

The Superintendent of Schools or his/her designee is authorized to develop and implement administrative guidelines necessary to ensure the accuracy of District enrollment counts through the timely removal from District rolls of those students no longer attending and/or eligible for services in the District.
