Use of Commercially Produced Video Recordings/DVDs and other Digital Media

Videotapes/DVDs and other digital media will be selected and assigned to give support directly to instructional learning objectives contained within the Board approved curriculum.

Videotapes/DVDs and other digital media when used, shall be selected for their direct relevance to the instructional program. General selection criteria should include quality of the overall work and its individual parts, fair and accurate representation of the facts, the reputation and significance of the writer, director, and/or performer.

Videotapes/DVDs and other digital media shall not be used for recreation or entertainment, or for other than planned instructional purposes.
