Dear Parents/Guardians,

*A dream you dream alone is only a dream. A dream you dream together is reality.*  
-John Lennon

This budget season, let's dream a reality! We all have goals and hopes for our children. I hope you'll join us in Region 14 Schools for the presentation of those dreams for the 18-19 school year by participating in this year's budget meetings.

I am committed to providing our school community the opportunity to learn about the district improvement initiatives we are proposing for the 2018-2019 school year along with the related costs. It is critical that our parents and community members engage in the process of helping to build and support the goals and dreams of our school district. Attached you will find various opportunities to learn more and provide feedback about the proposed budget. I hope you will take time to participate in the 2018-2019 budget process.

Sincerely,

Anna Cutaia, Ed.D.  
Superintendent of Schools
