

May 17, 2018

Dear Parents/Guardians,

I am writing to inform you of important changes occurring in the district.

I am pleased to share that Pamela Sordi will be transitioning over to Nonnewaug High School as the Assistant Principal and Suzi Greene will be taking on the role of Assistant Principal at Woodbury Middle School. Both positions will take effect July 1, 2018.

Pam Sordi will be returning to Nonnewaug High School next year as the Assistant Principal. Pam has been serving the students of Region 14 since 2003. She is currently the Assistant Principal of Woodbury Middle School and prior to that she served as Director of School Counseling at Nonnewaug High School. She has a deep commitment to the education of all students. Her continued success is the result of her ability to connect with students and promote each learner's unique qualities. Her experiences over the past thirty years in education, serving students in Rocky Hill, Torrington and Region 14, will be an asset to carrying out the vision of high quality instruction and the importance of school community at Nonnewaug High school.

Suzi Greene will be taking on her new role as Assistant Principal of Woodbury Middle School. Suzi has been working with school communities for 25 years. She began her career as a Middle School social studies teacher which she held for 10 years, both in Pennsylvania and Connecticut. She then started her 15 year journey as an administrator. Suzi has served as an Assistant Principal for students in grades 6-8 in both Region 5-Amity and in New Milford Public schools for a combined total of 9 years. She has enjoyed her time at Nonnewaug as Athletic Director and Dean of students, and plans to use that knowledge to assist the Region 14 students with transitions and expectations as they move through the Middle School. Suzi looks forward to beginning her new role along with the challenges and experiences which Woodbury Middle School has to offer. Suzi describes herself as having a "Middle School mentality" and can't wait to meet the students, staff, and parents of the building.

On behalf of the Region 14 School District we congratulate Pam and Suzi as they take on their new roles as Assistant Principals.

Sincerely,

Anna Cutaia, Ed.D.
Superintendent of Schools
