Dear Parents/Guardians,

I am writing to inform you of some important changes occurring at Woodbury Middle School. To begin with, please know that Mr. Bergeron will not be returning to Region 14 in his role as Principal of Woodbury Middle School. We are grateful for his service to the many students of Region 14.

I am happy to share that William (Bill) Nemec will be the Principal of Woodbury Middle School, Effective July 1, 2018.

Bill is an experienced administrator and educator who is currently the Assistant Principal of Nonnewaug High School. Bill has been a member of the leadership team at Nonnewaug since 2011 and has served in the roles of Assistant Principal, Dean of Students and Athletic Director. He has been an integral part of the work involving high quality instruction and building a positive school culture. He has focused on building relationships with staff and students and opening the lines of communication to promote a shared responsibility as a key to positive school climate. Bill's experience in education for the last 27 years in Cromwell, New Fairfield, Watertown and Region 14 will bring great value to the students and staff of Woodbury Middle School.

On behalf of the Region 14 School District we congratulate Bill as he takes on his new role as Principal.

Sincerely,

Anna Cutaia, Ed.D.
