Dear Parents, Guardians, Fellow Educators, & Friends of Region 14,

It's easy to overlook significant unusual signs as we go about our normal daily routines, whether it be going to school, work, grocery shopping, or going to the gas station. It's important to remind ourselves that as we go about our day, that if we see something that doesn't seem quite right, it probably isn't. Using our intuition and being aware of our surroundings will not only help ourselves, but those around us as well.

By being alert and reporting suspicious activity to your local law enforcement (911) you can protect your family, neighbors, and community.

The "If You See Something, Say Something" initiative engages everyone in protecting our schools and our towns through awareness by building partnerships and supporting community outreach and awareness.

Let's all do our part to keep our children, our fellow teachers, and our townspeople SAFE!

Sincerely,

Joseph A. Olzacki, Ed. D.
