

Region 14's

Read for a Cause...

Let's be a small district that reads **BIG!**

Bethlehem and Mitchell students, we challenge YOU to read **180,000** minutes this summer!

Do your part by promising to read any number of minutes and use the attached calendar to track your minutes! .

But wait... there's more...

Not only do we want to be a school district that reads **BIG** but we want to help our community too!

This year, we want to turn our reading into a community fundraising for Make-a-Wish.

Make your reading promise. Then reach out to family and friends to see if they would be interested in pledging donations to our schools' cause!

Of course, collecting pledges for our cause is optional.

It is strongly encouraged that all students participate in our READING Challenge regardless of pledges. How else will we reach our goal to read **180,000 minutes?!**

If you choose to collect pledges for reading, donors can choose any amount to pledge per book you read.

For example, someone may pledge to donate a penny for each minute you read, while someone else may pledge to donate a quarter for each minute you read this summer! The choice is up to your donor!

Please, DO NOT collect pledges from strangers!

All pledges will be collected in September and our donation to [Make-A-Wish](#) on behalf of the readers in Bethlehem and Mitchell will be made in October!

Make the Cover to Cover Promise!

I _____, promise to read _____ minutes this summer and track using the attached log. I understand that the **actual number of minutes** read this summer will be counted towards the library and our school district's total.

Region 14's Reading Challenge will end September 6, 2018.

Parents, please note collecting pledges is **OPTIONAL**.

We Pledge!

Donors, you choose the amount to pledge. Money will not be collected until our challenge is complete.
