

ATTENTION MES FAMILIES

Due to several weather related disruptions in this week's school schedule, student council would like to extend the food drive until 2/8/19.

"SOUPER BOWL"

Student Council will be sponsoring a food drive next week. We are looking to take advantage of all the excitement of the Super Bowl between the New England Patriots and the Los Angeles Rams. We will host our own "SOUPER BOWL" here at Mitchell. It will be a week-long food drive in which students place their donations in the box of the team that they hope wins the big game next week. All items that are collected will brought to the Woodbury Food Bank.

Thank You in advance to contributing to help our local community.
