OLD MEETS NEW

WITH AMERICAN MURAL PROJECT

Want to be a part of an exciting new project, build your college resume, and leave your mark at Nonnewaug? Using reclaimed objects from Nonnewaug's renovation project, you will construct relief sculptures to express the ideas, environment and history of your school experiences. Following the style of sculptor, Louise Nevelson, you will paint the assemblage work in a single color to accent the shadow, highlight and shape of your chosen objects. To donate materials or sign up for the project see Ms. Desjardins, Ms. Perras Ms. Riggi or Ms. Roe.
