

Come and help us raise money for children seeking treatment for cancer at the Yale-New Haven Hospital! We are Nonnewaug High School students, we got this idea while attending a school field trip along with all the other schools in the Berkshire league to help improve our school climate. Dr. Judy Palmer, the Superintendent of Region 7 public schools had given us a grant to kick start what is called the "kindness in motion" project. With the money we earn from this fundraiser we will be working with children who are in the hospital for an extended period of time, creating a personalized mailbox for each child that will be hand painted. We will also donate any extra funds to the hospital to help these kids and families that have been affected.

Thank you in advance!  
- Chloe and  
Madison

Don't forget a  
blanket and  
pillow!
