

Mitchell School Recycling Contest

Reduce household trash by recycling items

Begins: **Friday, May 10th** Ends: **Monday, May 20th**

Recycling bins will be placed outside STEM ROOM (21) –

Place those recycling items in your grade bin. The grade with the highest totals (Mrs. Cragan will count and total at the end of every day) as well as the most posters completed (Mrs. Kanuch will count) can win an outside Science Activity as well as a special treat!

Items to bring in: cardboard tubes (toilet and paper towel), yogurt cups, Plastic Chinese food containers, straws, old string, Styrofoam anything, empty tissue boxes, buttons... be creative !

NO GLASS or METAL – please recycle at home too
