

Voluntary Enrollment

This year parents are able to enroll their children for this important coverage by logging on to www.bobmccluskey.com.

We've attached a flyer that can be posted to the schools' websites which will provide parents with the information they need to log-in and enroll. Once on our web-site, the parents will be able to view and print the complete brochure as well as an ID card. Parents may enroll either by printing the enrollment form and mailing it along with a check or money order to Bob McCloskey Insurance, or by paying by credit card on line through our PayPal enrollment form.

Due to decreasing enrollment and increasing printing/shipping expenses it is important to note that we will no longer be sending individual flyers to be distributed to each student. By making this change we are able to continue to offer the same affordable rates to parents.
