## Additional Information

- Under this program covered prescription drugs and supplies are put into categories (i.e., tiers) to designate how they are to be covered and the member's cost-share. The placement of a drug or supply into one of the tiers is determined by the ConnectiCare Pharmacy Services Department and approved by the ConnectiCare Pharmacy & Therapeutics Committee based on the drug's or supply's clinical effectiveness and cost, not on whether it is a generic drug or supply or brand name drug or supply.
- Generic drugs can reduce your out-of-pocket prescription costs. Generics have the same active ingredients as brand name drugs, but usually cost much less. So, ask your doctor or pharmacist if a generic alternative is available for your prescription. Also, remember to use a participating pharmacy. Most pharmacies in the United States participate in our network. To find one, visit our Web site at [www.connecticare.com](http://www.connecticare.com) or call our Member Services Department at 1-800-251-7722.
- Amounts paid by members because they must pay a price difference for a brand name drug do not count towards meeting any deductible, coinsurance, copayment, or cost share maximum.
- Certain prescription drugs and supplies require pre-authorization from us before they will be covered under the prescription drug rider. You should visit our Web site at [www.connecticare.com](http://www.connecticare.com) or call our Member Services Department at 1-800-251-7722 to find out if a prescription drug or supply requires pre-authorization.
- Most Specialty drugs are dispensed through Specialty Pharmacies by mail, up to 30 day supply. Specialty Pharmacies have the same Member Cost Share as all other participating pharmacies and are not part of ConnectiCare's Voluntary Mail Order program. The Member Cost Share for Specialty Pharmacy is different from the Cost Share for ConnectiCare's Mail Order program.
- Always remember to carry your ConnectiCare ID Card.
- If you are a Massachusetts resident, please refer to your amendatory rider for Massachusetts mandated benefits for additional details of your benefits.
