The Board welcomes commentary from members of the community regarding agenda items or other topics of interest. The participating time will be limited to (3) minutes per person and (20) minutes overall to guarantee efficient operation of the meeting. In the event of a lengthy agenda, the (20) minute limit may be modified. Citizens wishing to make comments are requested to fill out the speaker sign-up sheet prior to the start of the meeting, recording their name and address, which must also be stated at the beginning of their public comment. Courtesy is expected during privilege of the floor, and we request that speakers be concise and respectful in their comments. Gossip, defamatory comments, abusive or vulgar language will not be permitted. Speakers are asked not to be repetitious of comments already made to the Board. Public comment is normally not invited for topics listed for action after having been publicly discussed at one or more meetings. Comments will be heard and considered. Generally, the Board will not discuss or address or act on an item not on the agenda. The primary purpose of the meeting is for the Board to conduct its business as charged by law.
